Subject: Creation of "ABC ID" (Academic Bank of Credit ID)

NEP-2020 envisions the establishment of Academic Bank of Credits (ABC), a national-level Bank for storing the Academic Credits earned by the students of various Universities, with the students as academic account holders. For effective and seamless implementation, this is pertinent to note that each student must open an academic bank account with ABC for the purpose of commutation of the credits for awarding any certificate/diploma/degree. Further, ABC will also provide various types of services, including credit verification, credit accumulation, credit redemption, and authentication of academic awards.

In order to initiate and operationalize the ABC, each student of the University is required to open the academic account with ABC. You are therefore hereby requested to disseminate the below mentioned procedure among all the students admitted under your Faculty/College to register for ABC as per the following procedure:

Step-2: Click on My Account > Student

Step-3: Sign In to the account via "DigiLocker" by using either your registered Mobile (With DigiLocker) OR Username (On DigiLocker) OR Others – As described below:
